- Which aspects of this class (e.g., lectures, discussions, readings, assignments, tests) were the most helpful for learning course material?

The GIt-Hub tutorials as well as the live in-class coding demonstrations were very helpful for understanding how to utilize JavaScript within an HTML environment.

- Which aspects of this class were the least helpful for learning course material?

N/A

- What other comments do you have about the strengths and weaknesses of this course?

The GIt-hub repository was very well maintained and the tutorials were well crafted. It made learning Internet Programming much less daunting.

- Which aspects of this class (e.g., lectures, discussions, readings, assignments, tests) were the most helpful for learning course material?

Lectures where prof. went over code as well as projects were great learning tools

- Which aspects of this class were the least helpful for learning course material?

When asking questions the prof. tends to over-extend the explanation.

- What other comments do you have about the strengths and weaknesses of this course?

Easily the best professor as well as course at the southern's CS department out of all the CS classes I have taken
